##### THE POSITION OF THE UNITED STATES WITH RESPECT TO IRAN

(NSC 117; NSC 107/2; NSC 129/1; SE-33; Memos for Senior NSC Staff from Executive Secretary, same subject, dated October 1 and 7, 1952; Memo for Senior NSC Staff from Acting Executive Secretary, same subject, dated October 13, 1952)

Memorandum from the Joint Chiefs of Staff on "The Anglo-Iranian Problem", was submitted to the Council at the request of the Secretary of Defense as NSC 117. At its meeting on November 20, the Senior Staff agreed that NSC 117 should be listed in the Status of Projects as a reference in connection with the project on the Eastern Mediterranean and Middle East, rather than as a separate item. Subsequently the subject of the latter project was changed from the "Eastern Mediterranean and the Middle East" to "The Area of the Arab States, Iran and Israel."

The Senior Staff at its meeting on March 6 in connection with a discussion of a draft report on "United States Objectives and Policies With Respect to the Area of the Arab States, Iran and Israel During the Period of the Cold War" agreed that this draft report should include the Arab States, Israel and the Middle East Command (adopted by the Council as NSC 129/1), but not Iran, which was to be covered by the forthcoming revision of NSC 107/2.

The Senior Staff at its meeting on September 18, in connection with a review of the Status of Projects, agreed that (1) a new national intelligence estimate on Iran would be desirable (2) the Senior State Member should explore the practicability of a report on "Current United States Policy Toward Iran" to supersede NSC 107/2 pending subsequent review of long-range policy toward Iran (3) the Senior Staff should discuss the subject again at an early meeting on the basis of the Senior State Member's recommendations.

The Senior Staff at its meeting on October 9 discussed the subject in the light of the proposals of the Departments of Defense and State transmitted by the reference memos of October 1 and 7 respectively and in the light of SE-33, and directed the Staff Assistants to prepare, in the light of the discussion, a draft revision of the statement of policy on the subject contained in NSC 107/2. A draft revision of the statement of policy prepared by the Staff Assistants pursuant to this agreement by the Senior Staff has been transmitted by the reference memo of October 13 and is scheduled for consideration
